## JUST 16 (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. As the seasons change and the warm weather has turned to that of the cold and inhuman taste of autumn, it is time for the reader to huddle down below the blankets with her cup of cocoa and read something horrific but true. Here is a collection of poetry that will slice you apart from the very first page, bouncing from one cruel and grim story to another. There are tales of wisdom and joy and yes there are tales of graveyard debauchery, tales of unwanted identities, a twist of life after death and just a hint of necrophilia. Halloween is only one day in an uneventful year but reading this kind of poetry will satisfy all your grim whims and sadistic sarcasm, just turn the page to be transported into a never ending truth trail of lust and corruption, this is the gateway to the spirit world, this is the way down to the underworld, this is Just 16. This indie poet continues to surprise his readers with his wit and unlimited imaginary, painting a picture of words that is simple to read but ingenious in the making, not everyone will like the grim tales that this collection holds but they will read this poetry with a smile nonetheless.
